

## **Athlete/Coaches/Trainers/Staff Requirements and the Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19**

Initial \_\_\_\_\_ MUST HAVE BOTH PAGES

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact, including individuals without disease symptoms. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited or limited the congregation of groups of people.

The health and well-being of our staff, coaches, trainers and athletes remains our top priority. In order to minimize the risk of COVID-19 entering our environment and spreading amongst our community, King Louie's Sports Complex will only allow staff assigned to work and athletes, trainers and coaches scheduled to participate to be in our facility. Athletes waiting to attend a session will need to wait in the parking lot in their car/Parent's car while maintaining social distance from others.

Furthermore, all participants in approved activities at King Louie's Sports Complex must agree to and abide by the following:

1. Limited Parent/Spectator Participation During Indoor Activities – Only 2 parents/spectators will be allowed to stay at the facility while Team practices/program activities are being conducted for all indoor activities. Please do not arrive for activities any earlier than 15 minutes prior to your schedule start time. This may change as conditions warrant. As of now, there are NO restrictions on the number of parents/spectators for OUTDOOR activities, but all spectators will be required to wear a mask and practice social distancing
2. Masks – KL requires all parents and non-athlete attendees to wear them. Players/participants will not be required to wear them while participating in their activities
3. Player Equipment – all bags/equipment for each player/participant will need to be spaced along the sidelines.
4. Social Distancing – Teams/programs are responsible for maintaining/enforcing social distancing for their players and coaches during their practices/programs. KL is not responsible for enforcement
5. Field Spacing – Teams will need to make sure that groups sharing any outdoor/indoor field remain spaced and stay on their side of the field unless competing against one another
6. Bathrooms – only 2 people at a time will be allowed in public bathrooms
7. Concession Stand – will be open at times, but there will be no seating in common area and markers will be on floors to insure social distancing. Staff will be wearing appropriate PPE
8. Hand Sanitizing – KL will provide a hand sanitizer, but players/coaches are encouraged to bring their own hand sanitizer and towels as well
9. Stay at Home Mandate – anyone not feeling well, or exhibiting any symptoms will be required to stay at home. Anyone who is considered “at risk” with any pre-existing conditions making them more vulnerable to the virus should not attend any activities at KL

King Louie's Sports Complex (hereafter referred to as the “KL”) has put in place numerous preventative measures and enhanced cleaning protocols to reduce the likelihood of spreading COVID-19 in KL's facility environment; however, KL cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending sponsored activities at KL could increase your risk and your child(ren)'s risk of contracting COVID-19.
